PLAYOFF FINALS
TIE-BREAKER
RULE:

If after 22 games, the score is tied at 11-11, the 12th and final point will be made up of three (3) games. The winner of this point will be the team taking 2 out of 3 of the following:

1 game of "601" - (3-person teams)
1 game of "Cricket" - (2-person teams)
1 match of "301" - (1 person--best 2 of 3)

A coin toss will determine the order of throwing for each game in the tie-breaker with the visiting team calling the coin toss for game 1 ("601") and game 3 ("301") and the home team calling the coin toss for game 2 ("Cricket").

Note:

Different shooters must be used in all 3 games. No one shooter may play in more than one game of 601, Cricket or 301 Singles. If a shooter plays in the first game of 601, that shooter is not eligible to play in the Cricket or 301 game.
