SUMMER 2010 SEASON INFORMATION

The Summer 2010 Season consists of 6 subdivisions and will have 6 separate team champions at the end of the regular 10-week season. Total accumulated points for the ten-week season will determine the team champion in each subdivision. In the event of ties, rules regarding tie-breakers, as shown in the current rule book, will be observed.

There are **no playoffs** during the Summer Season. 'RED' Divisions consists of a mix of A and B & C teams, 'WHITE' Divisions are a mix of C and D teams and 'BLUE' Divisions are a mix of D and New teams.

The Summer season is intended to be a less formal structure of play. The game format is a little different with **one game of 701 (SS DF, 4-person teams)**, **two games of Cricket (2-person teams)** and **four 301 Singles matches (best 2 of 3)** for a total of **7 match points** for the night. Teams should follow all regular season Rules of Play with the exception of specific Summer Season differences. The Summer season was formed to allow veteran players to continue playing darts to stay in shooting shape and also to allow new players to get the feel for an organized dart league.

*** * * IMPORTANT INFORMATION * * ***

During the Summer season **HOME TEAM CAPTAINS** should **call in the results** of each weekly match immediately after the conclusion of play (978-250-8322) and then **mail the match sheet** to the league office with the envelopes provided in your Captain's Kit. This will allow results to be made available to all teams in a timely manner through posting on the league website and for E-mailing to all team captains.

As noted, weekly results will be E-mailed to all teams and posted on the league website. **There will be no regular mailings of weekly results.** An end-of-season mailing (after Match Week #10) will include final results and a list of award winners for the Summer 2008 season. It is important, therefore, that each team captain submit an up-to-date and valid **e-mail** address to the league office so results and notices may be **e-mailed** to all teams. If any captain does not have an available **e-mail** address, then please submit an **e-mail** address of one of your team members. **E-mail** will be the main means of communication throughout the season.

**As always, please remember to follow the rules,
be courteous to other players, respect the owners
and their establishments that you play in,
and by all means -- have some fun!
Best of luck to all and enjoy the summer!**
